

It's time to renew your health care coverage from Blue Cross and Blue Shield of Texas.

As Open Enrollment gets closer, I want to let you know you'll soon receive your 2026 plan details from Blue Cross and Blue Shield of Texas. As your independent, authorized agent, I'm here to make sure you have the right plan for your needs and budget.

Here are some reasons I suggest you stay with them:

Choice of plans and networks — With plans in every Texas county at bronze, silver and gold levels, they offer you choices. You can keep what you have. If your needs have changed, we can take a look at what may work best for you.

Trusted name — With more than 95 years of history, they continue to provide high-level service throughout Texas.

Taking care of you — They have resources and tools that include access to virtual care, gym membership discounts and wellness programs.

Focus — They're customer owned, which means they invest back into their customers and their communities.

Look for a code to access your personalized page.
